

Super Mario STEM with LEGO® at Springer Elementary

Bring the world of Super Mario to life with Brick Tech as we build LEGO® projects inspired by the video games. Participants in this class will learn about the real-world STEM concepts involved in games such as Mario Kart, Mario Party, and Mario Odyssey. Get ready to power up and help Mario to save the day in this video game themed class from Brick Tech. A new project will be completed each week to explore STEM concepts as we learn with hands-on building.

Note: Kinders will be picked up and supervised until the start of class.
